We are glad to announce that the 2024 the 13th International Conference on Educational and Information Technology (ICEIT 2024) will be held March 22-24, 2024 in Chengdu, China.

ICEIT will have a special focus on educational and information technology to address multidisciplinary challenges. The event will include Oral Presentation, Poster Presentation, Workshop, keynote speeches given by experts on state-of-the-art topics, and invited speeches. The aim is to complement the regular program with emerging topics of particular interest in the field of educational and information technology. Additionally, we ask that authors expand on their research and knowledge to contribute to the collective effort to improve educational and information technology.

Publication

Accepted papers will be published into conference proceedings by IEEE, which is the same with the last years. The proceedings will be submitted and reviewed by the IEEE Xplore and **Ei Compendex and Scopus** after the conference.

ICEIT 2024 has been listed in IEEE Official Conf.
